INCLUDED!

MGS Glossary of Gunsmithing Terms

An alphabetical list of defined gunsmithing terms - a valuable resource for students when going through the MGS course. This tool provides the terms used in the course lessons and in materials furnished by suppliers, manufacturers, and dealers. This will arrive with your first shipment.

INCLUDED!

Reloading Video Tutorials along with Reloading Bench Plans

Reloading videos introduce the gun enthusiast to the money-saving hobby of reloading their own rifle, shotgun and handgun ammunition. Step-by-step sequences take the mystery out of case preparation, primer seating, accurately measuring powder and bullet seating in center fire cartridges. In addition, comprehensive bench plans to build your own Reloading Bench is yours with your fourth shipment.

INCLUDED!

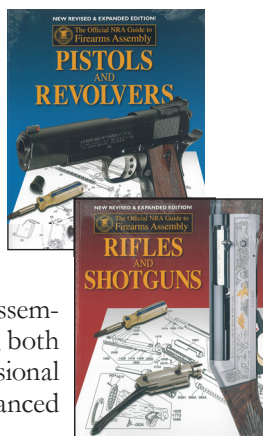

MGS Branded Gunsmith Apron

A Gunsmithing Apron will help to keep both you and your clothing clean when performing regular cleaning, and repair and maintenance of firearms. The MGS logo will remind you of your success and is yours upon successful completion of your Gunsmith Program.

INCLUDED!

Firearms Assembly - Two Volume Set

The Official NRA Guide - Pistols and Revolvers and *The Official NRA Guide - Rifles and Shotguns* clearly illustrate exploded view diagrams and disassembly details. They contain mechanical details for popular handguns, along with detailed instructions and accurate exploded-view diagrams that provide the information any collector, hunter or shooting enthusiast needs to ensure proper disassembly and understand precisely how parts interact. All in all, both of these volumes will be a useful addition to your professional library, yours upon successful completion of the Advanced Master Gunsmith Program.
